

## Testaments Betrayed (Paperback)

---

By Milan Kundera

FABER FABER, United Kingdom, 1998. Paperback. Condition: New. Main. Language: English . Brand New Book. Kundera s essay has been written like a novel. In the course of nine separate sections, the same characters meet and cross paths with each other. Stravinsky and Kafka with their odd friends Ansermet and Brod; Hemingway with his biographer; Janacek with his little nation; and Rabelais with his heirs - the great novelists. In the light of their wisdom this book examines some of the great situations of our time. The moral trial of the twentieth century s art, from Celine to Mayakovsky; the passage of time which blurs the boundaries between the I of the present day and the I of the past; modesty as an essential concept in an age based on the individual and indiscretion which, as it becomes the habit and the norm, heralds the twilight of individualism; the testaments, the betrayed testaments - of Europe, of art, of the art of the novel and of artists.
