Forgotten Books. Paperback. Condition: New. This item is printed on demand. 110 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Excerpt from French Prose Composition. In many respects, the needs of classes in learning the French language, have been satisfied by the existing grammars and editions of French texts; but teachers have often found difficulty in making the transition from the somewhat mechanical sentences of grammars or beginners books to the more difficult narrative French. It is here that the authors of this book have seen an opportunity for a new text in French composition, which they hope may aid teachers in a very difficult part of their work. In two particulars they have aimed to improve on the present books: first, in making the selections for translation of about average difficulty and of real practical interest; and, second, in giving definite, grammatical drill by the arrangement of material for translation.
