In this Christian Medical Mystery, a gifted young neurologist, Lily Lapree, embarks upon her residency in the teaching hospital where her late father practiced. Longing to try her wings outside the insular nest, the position hadn t exactly been Lily s top choice, but the hometown hospital has its perks. Best of all, they ll help mainstream her live-in sister, Raina, who has special needs. In response to Lily s promise to keep tabs, they ll add Rainy to their janitorial staff. Though legally an adult, Raina is still childlike as she starts her first job within the wing unofficially known as the Belfry. Back-to-back revelations have Lily reeling on Rainy s first day. For starters, a late-breaking offer comes in for Lily from that far more prestigious, first-choice hospital. Next, Lily discovers their widowed mother, hospital counsel Claire Lapree, plans to remarry come Easter. Still grieving the father she adored, Lily is hardly ready for her mom to move on-much less with her boss, the chief of neurosurgery. Top if off with Lily s struggle to fend off the pursuits of her best friend s unrequited crush-an unsettlingly attractive fellow resident-and it doesn t look like family dynamics or workplace relationships could get much more complicated. All the while, Lily wrestles to understand the mind of an enigmatic new patient, a boy plagued with disturbing visions he claims are from God. Though Lily s mother implores her to stand by her initial commitment at the Belfry, Lily can hardly ignore what the world-class, out-of-state hospital has to offer. Would it be so wrong for Lily to accept the job...
