DIY HOUSEHOLD HACKS AND PROJECTS FOR THE BASEMENT: A GUIDE FOR CLEANING AND ORGANIZING FOR AN EASIER LIFE (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Basements can be a tough spot in the house to clean and organize, but with the DIY household hacks listed in this book, you can turn your basement from a mini-stockroom to a place full of productivity. Listed in this book are some DIY hacks in cleaning and removing the clutter from the basement, as well as how to maintain a dust-free room. The DIY household projects that are mentioned in this book will help you turn their basements into more useful rooms such as a study room or an office, or even a lounge. The DIY household hacks in this book are cost-effective for those wanting to save some cash, especially when it comes to cleaning and organizing solutions. These hacks will only require the readers some common household items to use in cleaning out the dust, grime, and molds from the basement, as well as to remove the odor if needed. No need to buy expensive cleaning solutions in the market because this book provides simple DIY hacks in making your own cleaning solutions. This book also contains DIY basement renovations that anyone can do. The DIY procedures listed in this book have easy step-by-step instructions should you, the reader, opt to make projects from scratch. DIY ideas are mentioned in this book should you want to renovate your basement into a much more functional room other than for storage. A part of this book will discuss about maintaining the cleanliness of the basement. Some DIY household hacks include ways on how to dust the basement, and ways on how to store the things in the basement without making a lot of clutter. You, as the homeowner, should be responsible...
