Book and Bed: Sharing Sign Language with Your Child (Hardback)

By Mimi Brian Vance

Bright Sky Press, United States, 2010. Hardback. Condition: New. Rosemarie Gillen (illustrator). Language: English . Brand New Book. From birth to 3 years, this title helps in teaching American Sign Language to babies through interactive stories. This series of concept books weaves five essential signs into the story of each book, enabling the adult reader to learn sign language while teaching babies to sign long before they learn to form words. Providing a context for the introduction of each sign, these educational stories focus on communicating essential messages through repetition and reading aloud while encouraging long-term developmental benefits by stimulating early communication skills.

Reviews

I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
