Createspace, United States, 2013. Paperback. Condition: New. Nicole C Choque (illustrator). Language: English . Brand New Book ***** Print on Demand *****.This is a medieval fantasy packed with many unique dragons, giants, and lurking creatures. In the ancient world of Drauso, the dragon/man alliance was forged in blood and fire. Thousands of years later, men, disremembering their vows, became fearful of the creatures and systematically eliminated their former allies, who faded into old legends. Virtually forgotten, dragons lived in small clans on the northern coast of Verdant Continent. An invasion of wild beings, called Wildemen, along with mercenaries and giants has come to Verdant Continent and attacked the kingdom of Coramer. King William and his people have been pushed back to their last stronghold, the fortress city of Svanvatyr, at the edge of an ominous swamp. With no other assistance, the Corameranians stand alone. Simultaneously, the arrival of two people into the dragon s realm has caused a massive debate among the clans. The first person, Duke Kandor of Coramer, to his misfortune, happens upon a dragon skirmish. The other person, Princess Alianor of Aquileia, whose dire wolf lost Duke Kandor s scent in the Barren Wastelands; finds herself in the ancient region of Petrus; and wonders if she has stepped into another world. When suddenly, she is snatched up by the strangest creature she has ever seen or imagined! Thus begins their story .
