ANALYTIC INEQUALITIES (PAPERBACK)

Dover Publications Inc., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Mathematical analysis is largely a systematic study and exploration of inequalities -- but for students the study of inequalities often remains a foreign country, difficult of access. This book is a passport to that country, offering a background on inequalities that will prepare undergraduates (and even high school students) to cope with the concepts of continuity, derivative, and integral. Beginning with explanations of the algebra...

Reviews

I actually started off looking over this publication. It is written in easy terms instead of difficult to understand. You are going to like the way the writer writes this ebook.
