This book captures some of the ups and downs of being a Professional Cleaner/Organizer. From the sublime to the ridiculous, I've seen it all. Follow me as I share some of my more memorable experiences with clients who were nightmares I couldn't wake up from to others who touched my life in ways they could never have imagined. A few household hints are thrown in along the way for good measure. It's a sometimes wild, sometimes melancholy ride, but one I think you'll enjoy.
