CHAIRMAN CREW:: Before taking up the discussion on these papers, we will receive the report of the Committee on the Demonstration Tests of Cattle, that w-as carried on out at the Stock Yards. Dr. Neal, I believe, is prepared with that report. DR. NEAL: Gentlemen, I have only the report so far as the decisions are concerned on the results of the test, as applied, to the intradermal test. I will try to give you this information on the cattle in a way that if you want to take any numbers you may do so. The cattle that were selected for this testing...
