Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Indigo Marsh had things all planned until a lawyer friend asked him to collect some money from a low life client who happened to work for a local drug lord named Tony Dee. Enlisting the help of his friend, Dillon St. James, getting the money was like taking candy from a baby until Tony Dee came to Marsh s house to get the money back. After breaking Dee into little pieces Marsh figured he could get on with his life. Bad combinations for Marsh in his line of business, but he made the decision not to get involved and to send her to new client that had hired him to find her until she went missing again. This time Marsh feared she was missing for good until he found out she...
