Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.

(Dr. Grady Jacobi DDS)

BY OAK, ASH, THORN BY OAK, ASH, THORN: MODERN CELTIC SHAMANISM

Llewellyn Publications. Paperback. Condition: New. 320 pages. Dimensions: 8.8in. x 6.0in. x 0.9in. Take one part of the worlds oldest spiritual system (shamanism), mix in one part of one of the worlds most popular spiritual cultures (the Celts), and bring it up to date by blending in modern forms of shamanism. The result is one of the most amazing books youll ever use, D. J. Conways By Oak, Ash, and Thorn. This book is filled with information that can start you on a lifetime of study, practice, and spirituality. First, youll learn about ancient and modern forms of shamanism. Youll discover the secrets of the three shamanic worlds, and how you can travel through these mysterious realms. Youll be shown how to communicate and deal with the entities and allies you meet there. Youll also learn about the tools that a shaman uses. The thing that makes this book unique is that it comes from the viewpoint of Celtic shamanism, and not some generalized form. As a result, the worlds are specifically Celtic in nature. The tools come from Celtic myth and lore. The fifty entities you meet are named and defined as the Faery Folk and their kin from the Bean sidhe (banshee) to the Will o the Wisp (a faery who appears at night in lonely places carrying a lantern to confuse travellers). Almost fifty more animal allies are listed and described. You will also learn the mysteries of the vision quest and how it applies and can be used by Celtic shamans. Before starting your journey you will take a test to determine your strengths and weaknesses as a potential shaman. Other topics include: - Shamanic Healing - Soul Retrieval - Shape-shifting - Invisibility - Divination with stones, the omen stick and the Ogam alphabet - Pathworking through...
