THE SERPENT S SONG (PAPERBACK)

Ccb Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the previous book, *The Celtic Serpent*, after a diagnosis of cancer and the death of her grandmother, Angi Talismann found herself on an incredible journey. Shackled to an unstable piece of ancient technology in the form of a medallion, she and her colleagues were forced to locate lost medallion gemstones which had been scattered to different countries in the seventeenth century. Close on their heels was a resolute killer bent on acquiring the medallion. Under Myttrwn s guidance the twelve discover a different perspective of the universe, learn the healing and destructive powers of light and sound, and gain some insight into their future role while Angi takes her first steps in mastering the complexities of her medallion. Yet, with all the goodwill, a powerful individual, Zolar, is displeased with their presence in Tir na nOg and Angi s possession of such advanced technology. He sets out to rectify this...
