Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s completely natural to become a parent; it s anything but natural to raise a child. In A Parent s Primer, early childhood professional Janet Munson shares some of the tips that at first glance may seem simple, rational and logical, but it s not uncommon to suddenly realize that in the family construction the tail is wagging the dog and thoughtful considerations have been abandoned. Munson s lessons, tips and stories are simple, logical and rational, yet not always natural for young parents to follow, especially when they are in the throes of the typical day-to-day chaos that rules a family. However, when a parent incorporates these learnings into the daily interactions they have with their children, they will soon discover that family life doesn t have to be crazy and uncontrollable. With just a little planning and discipline, parents will find that life with young children can be smooth, simple and fun. The easy-to-read pages contain tips and true stories that Munson has compiled over the years. Use this book as a parenting road map to help your children grow up with a strong sense of balance and love that they will be able to pass along to their children as well.
