Reviews

This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)

FRENCH CINEMA IN THE 1970S: THE ECHOES OF MAY

[DOWNLOAD PDF](#)

Manchester University Press. Paperback. Book Condition: new. BRAND NEW, French Cinema in the 1970s: The Echoes of May, Alison Smith, This book re-examines French cinema of the 1970s. It focuses on the debates which shook French cinema, and the calls for film-makers to rethink their manner of filming, subject matter and ideals in the immediate aftermath of the student revolution of May 1968. Alison Smith examines the effect of this re-thinking across the spectrum of French production, the rise of new genres and re-formulation of older ones. Chapters investigate political thrillers, historical films, new naturalism and Utopian fantasies, dealing with a wide variety of films. A particular concern is the extent to which film-makers' ideas and intentions are contained in or contradicted by their finished work, and the gradual change in these ideas over the decade. The final chapter is a detailed study of two directors who were deeply involved in the debates and events of the 70s, William Klein and Alain Tanner, here taken as exemplary spokesmen for those changing debates as their echoes reached the cinema.
