Said's "Orientalism" has defined our understanding of colonialism and empire, and this "Penguin Modern Classics" edition contains a preface written by Said shortly before his death in 2003. Drawing on his own experiences as an Arab Palestinian living in the West, Said examines how these ideas can be a reflection of European imperialism and racism. Edward W. Said (1935-2003) was a Palestinian-American cultural critic and author, born in Jerusalem and educated in Egypt and the United States. His other books include "The Question of Palestine", "Culture and Imperialism" and "Out of Place: A Memoir". If you enjoyed "Orientalism", you might like...
