Don't Go Near the Water! SYNOPSIS: Now a regional classic, the reissue of The Salmon People comes as a timely reminder that many of the issues we faced in the sixties and earlier still confront us today. Author Hugh McKervill takes the reader to an aged native man's ancestral fishing grounds, into the heart of a Japanese fisherman at the time of the 1942 Emergency Powers Act, and throughout the vast Fraser River system on the backs of the migrating fish. Many of his stories reveal the salmon industry's leading role in some of our province's ugliest racial and ecological tragedies. Generations later, we are still contending with the aftermath of those tragedies. But The Salmon People also permits the reader to glimpse the lives of ordinary people, sometimes doing extraordinary things. In the end, we realize the problems facing the salmon as a resource today are not fundamentally different from those of twenty-five years ago. - and - The Salmon People captures the relationship of British Columbia's first west coast inhabitants - natives, earliest white settlers,...
