Classic Tattoo Designs CD-ROM and Book (Paperback)

By Eric Gottesman

Dover Publications Inc., United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. Regarded by many people who wear them as the ultimate form of personal expression, tattoo designs have evolved from pagan ornaments into a popular form of body art. This unique collection spotlights well over 200 actual tattoos, popular during the first half of the twentieth century. Here are pierced hearts, shamrocks, pretty girls, skulls and crossbones, exotic ladies, crossed swords, colorful birds, cherubs, Indian chiefs, pirates, butterflies, and a host of other striking figures. Commercial artists and designers will welcome this spectacular book and CD-ROM set. Collagists, decoupeurs, and other craftworkers will find the material a great source of inspiration. Tattoo buffs are sure to treasure the collection as well.

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composed this pdf.

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It's been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modified the way I think.
