## A Study on the Central Bank of Japan (Classic Reprint) (Paperback)

By Itsuo Hamaoka

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from A Study on the Central Bank of Japan In consideration of the need of a comparative study of the economic institutions of nations, which is felt in every line of interests, the present thesis has been prepared. It is the purpose of the essay to portray the centralized bank system of Japan and to analyze the principles which under lie the system. However, this paper is not limited to an analytical presentation of the institution and its principles, but as a result of the investigation, some suggestions re garding the national policy towards the system are also submitted. I have to express my warm thanks to the many persons who have cordially assisted me with material and inform ation, especially to Count Matsukata, oftentimes Minister of Finance of Japanese Government, to Prof. Fred M. Taylor of the University of Michigan, and to Dr. Y. Ono of the Bank of Japan. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
