Reviews

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better then never, though i am quite late in start reading this one. Your lifestyle span will probably be convert once you complete reading this publication.
(Dr. Kadin Hane DVM)

CHE: A GRAPHIC BIOGRAPHY (PAPERBACK)

Verso Books, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Since his murder 50 years ago in Bolivia, Ernesto Che Guevara has become a universally known revolutionary icon and political figure whose image is among the most recognizable in the world. This dramatic and extensively researched book breathes new life into his story, portraying his struggle through the medium of the underground political comic-one of the most prominent countercultural art forms since the 1960s. Spain Rodriguez s powerful artwork illuminates Che s life and the experiences that shaped him, from his motorcycle journey through Latin America, his rise to prominence as a leader in Fidel Castro s revolutionary movement, his travels in Africa, his involvement in the insurgency that led to his death in Bolivia, and his extraordinary legacy.
