Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. While Susana Raso s previous novels were aimed at the crossdressing male engaged in bondage, this latest book is also addressed to intelligent females who have either a professed or a personal interest in sexual fantasy of the type recently entered into mainstream respectability by Fifty Shades of Grey. Of course, the heterosexual transvestite male, who so enjoys getting into the panties and stockings of his beloved woman, might also enjoy the pleasure of entering as well into her mind. The style of this volume remains lighthearted and literate, with a sincere attempt to incorporate suggestions and fantasies suggested by Susana s real-life girlfriend-playmate. Therefore, the main characters of this latest novel are portrayed as middle-aged people, who have to deal with real problems associated with maturity. 172 pages 37,000 words 111 illustrations.
