PERFECTLY ABNORMAL: UNCOVERING THE IMAGE OF GOD IN CHRONIC ILLNESS (PAPERBACK)**DOWNLOAD**

Splickety Publishing Group, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why is God silent in my illness? Living with a chronic illness is tough enough on its own, but it can become an overwhelming burden when we believe widespread myths about chronic illness. Without a strategy to overcome these lies, we can descend into a listless existence, even as people of faith. In Perfectly Abnormal, Chris Morris tears down the erroneous and misinformed beliefs surrounding chronic illness. From the unique standpoint of being both a parent of a special needs daughter and having a seizure disorder himself, Chris guides readers through difficult terrain as he shreds the eight most common myths the chronic illness community faces. Then he begins the conversation of developing a better theology of illness, with the intent of bringing his readers to a place of intentional excellence in spite of their conditions. Advance Praise for Perfectly Abnormal: I so appreciated Chris Morris wise theology of suffering and his keen insight into those who don't fit the straightjacket of what society calls normal. An excellent book, well written. -- Mary DeMuth Author of Jesus Every Day: Prayers to Awaken Your Soul I highly recommend this book to any person or family trying to deal with a chronic illness. In its pages you will find practical help to move forward, and hope to experience a life worth living. -- Marty Kaiser Senior Pastor, Reveal - A Jesus Centered Community.
