CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 194 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. This pocket book is intended to appeal to all practitioners in Primary Care because of a perceived deficiency of information on spinal disorders stripped of the customary mystique. The vocabulary and the practise of spinal disorders, especially in the management of back pain, remain esoteric subjects for many doctors not specialised in this area. The information is designed to be accessible to the lay public and patients through the avoidance of jargon in the text. This item ships from La Vergne, TN. Paperback.
