This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Brilliance Corporation, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. This treasury of essential Buddhist writings draws from the most popular Indian, Tibetan, Chinese, and Japanese sources. Among the selections are some of the earliest recorded sayings of the Buddha on the practice of freedom, passages from later Indian scriptures on the perfection of wisdom, verses from Tibetan masters on the enlightened mind, and songs in praise of meditation by Zen teachers. The audiobook also includes traditional instruction on how to practice sitting meditation, cultivate calm awareness, and live with compassion. Jack Kornfield, one of the most respected American Buddhist teachers, has compiled these teachings to impart the essence and inspiration of Buddhism to listeners of all spiritual traditions.
