These irresistible creatures, captured in full-color, full-page photographs, are naturals in front of the camera. Young children will delight in these close-up photos of wiggling, yawning and kissing bunnies. The brief but endearing text will appeal to the animal lover in all of us. These are seriously busy bunnies! Flip through the pages to see how the bunnies hop, hop, hop and zoom, zoom, zoom across the page. Actions are accentuated with repetitive text to teach young children action words and invite them to join in on the fun. There is no quicker way to learn about bunnies!
