Katrina Slaski, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Death is tragic in any sense. It is ruthless and unkind. It does not take into consideration any of our feelings. Whether the journey seems finished or not, we can be called away at a moments notice. Just weeks before her wedding, an accident separated Sophie s soul from her body. She died. There was no way of coming back. But she couldn t bring herself to leave. Thomas, the love of her life, was still here. Still living. She stayed close by. Whispering soundlessly in his ear, caressing his hands and cheek without notice, and watching from unseen shadows. At night as his body shivered and shook from the nightmares torturing his heart, Sophie would come to him. Her soul soothing his just as it had done in life. He needed her there. She calmed the storm raging within him. In dreams they could hold hands, go on dates, have the wedding they never got to, and create the family they both so desperately longed to have. The question is.how long will it last? If in dreams he can live once more with Sophie, what s to stop him from dreaming forever? Can Sophie convince Thomas that dreams are not real and that he should open up his mended heart and let it live again, or will he be forever closed off to the outside world and wait impatiently for the day he and Sophie will truly be reunited?.
