

My Turtle Journal (Paperback)

Filesize: 5.94 MB

Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Dog Ear Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A little box turtle has a big impact on a well-meaning couple who rescue him from a busy road near his hatching site. Buttons, as the plucky turtle is named, soon becomes a cherished member of the family. Pet lovers of all ages will appreciate the stories, both humorous and serious, that offer insight into the lives of these hard-shelled creatures. Told from Buttons s point of view, My Turtle Journal includes a story about his early days learning to trust the two people he thinks of as his parents as well as one about a serious medical issue. Buttons provides welcome companionship to the couple, especially his father, who has a debilitating back problem. In fact, playing games with his Daddy on the bed is one of Buttons s favorite activities. This chapter book, filled with colorful images, takes readers into the mind of this loveable character who just happens to have a shell. Whether he s catching crickets, changing the TV channel or playing hide and seek, Buttons keeps his adoptive parents guessing at what he will do next. When a grim situation arises, his entire future is at risk. A heartbreaking option seems to be the only solution, but will Buttons get the happy ending he deserves instead? ABOUT THE AUTHORS Teresa Westing and her husband collaborated to write stories about Buttons, a rescued box turtle. The animal lovers first shared their true stories about Buttons with family and friends, who wanted to read more. The couple lives in the Midwest, making the most of every day with humor, healthy living, and nature watching. They remember Buttons fondly. The couple has begun writing other animal stories inspired by nature.
