

New Earth (Paperback)

By Alasdair McPherson

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Not many years in the future, population pressure has moved humanity to the brink of extinction. Advances in suspending animation and fusion powered engines make it possible to send migrants to New Earth, an unspoiled planet orbiting a distant sun. It will take access to all the resources of the present world and a hundred years to cross the ten light years of space. Nectar is a super-computer designed to manage the project; it is hard-wired to shut down if it breaches protocols written by the United Nations. Six mentors are appointed to deal with problems and they are the only people in direct contact with Nectar. Suzanne McKelvie is a mentor. She becomes concerned about the safety of the New Earth migration when another mentor dies in mysterious circumstances after voicing his doubts. When she finds her name on a secret list, she flees, fearing that she will be the next to die. Overcoming her terror, she seeks out other doubters from Siberia to Kerala to try to find out if her misgivings are justified. She discovers that some scientists have...

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
