Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

FROM THE OBSCENELY STRANGE CASE FILES OF DEAD THINGS MIKEY: VOLUME 1: THE PRESUMPTUOUS B029 (PAPERBACK)

Thought Catalog Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hidden away in New Orleans exclusive Garden District is the home and headquarters of the man known as Dead Things Mikey: Collector of haunted artifacts, connoisseur of the macabre, and expert on every bump in the night. To describe Mikey in his own words, he is the world's only gay, libertarian ghost whisperer. His card says paranormal tech support and his rate isn't cheap. But if you're an oil baron and your operation just awoke a dormant Kraken in the Gulf of Mexico or you're an Internet porn tycoon who simply wants to stop receiving dismembered bodies via a fleet of mysterious delivery drones, then Dead Things Mikey is your best bet. From the creepy weirdo behind the Memoirs of a Cam-Girl series comes a story that horror author Sean Seebach (Our Monsters Are Real) calls The demented offspring of H.P. Lovecraft and Chris Carter. [...] At points truly disturbing, and yet an absolute joy to read.
