BLUE SKY PROJECT MANAGEMENT: HOW 21ST CENTURY INNOVATION GETS TO MARKET (PAPERBACK)

Booksurge Publishing, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It s no surprise that executives are nervous about their organizations ability to convert great ideas into profitable products and services. With such a high rate of failure among simple projects, the probability for the success of innovation projects seems nearly impossible when using outdated methodologies. Fortunately, there s a better way. In a book that challenges existing paradigms of project management,...
