Lulu.com, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.People have been consulting the oracle of the I Ching (Yee King) for guidance on how to deal with the ups and downs of life for over 3,000 years. Amazingly it is just as powerful today as it has always been; perhaps even more so considering the extraordinary changes that affect us today at both a global and individual level. This is a very clear, concise and accessible version of the I Ching that will provide you with practical guidance for today s Western world while retaining the esoteric spirit of the East. This book provides a way of enabling anyone with a receptive mind to see their personal situation reflected in the words and images that the oracle provides. It enables those who look, to see their circumstances in a new light. It provides a truly moral way of going forward, neither too strongly, nor too weakly but in harmony and balance with the time. The oracle itself has no power. The power comes from the psyche of the reader who can intuitively understand the meaning within the words.
