iUniverse, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Diving Dream to Olympic Team is the fascinating story of 1968 Olympic diver Keith Russell. At the age of 20, Keith was the youngest athlete ever named the world's best diver by an international poll of coaches. Sports Illustrated named him to win the gold medal at the 1968 Olympics, where he was the only American to qualify in both the springboard and platform events. But the controversial platform finals proved to be more of a test of inner strength than athletic skill. By the time he retired from competition after the 1976 Olympic Trials, Keith was a six-time National Champion, World University Games Champion, and World Championship medalist. Since his retirement from diving, Keith has been coaching and grooming national champions and Olympians. The former President of the United States Professional Diving Coaches Association, Inc., Keith coached the U.S. National Teams at the 1999 and 2001 World Student University Games. He recently represented the United States at the 2008 Beijing Olympics as the only American diving judge. This is a feel-good story that will leave readers deeply satisfied and uplifted as they learn about one man's incredible struggles and astonishing achievements in one of the world's favorite sports.
