McGraw-Hill Education - Europe, United States, 2004. Paperback. Condition: New. New edition. Language: English . Brand New Book. This is the breakthrough trader s guide on how to spot - and profit from - news-driven market swings. The hardcover edition of If It s Raining in Brazil, Buy Starbucks first introduced Professor Peter Navarro s authoritative macrotrading system to traders around the world. Now let this paperback edition introduce you to the market-proven power of macrotrading, and show you how to increase your trading precision by more precisely quantifying the impact of economic events on specific sectors of the stock market. Learning to interpret news correctly is a key in successful investing. Peter Navarro gives lots of great examples to help you learn. - Jim Rogers, Author, Investment Biker . In targeting the market events that cannot be ignored, If It s Raining in Brazil, Buy Starbucks does a great job separating the thought process of the amateur investor from the professional. Navarro s book gives the reader a valuable insight into market psychology. - David S. Nassar, CEO, MarketWise Securities, Inc., bestselling author, How to Get Started in Electronic Day Trading and Rules of the Trade . Witty, fun, and very informative. Peter Navarro has come as close as you can to creating the ultimate roadmap to understanding how news and economic events affect markets. I wish this book had been available when I started my trading career. - Oliver L. Velez, CEO, Pristine Capital Holdings, Inc., and, author of Tools and Tactics for the Master Day Trader .
