

## Mathiator

By Emmanuel Gutierrez

America Star Books, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm.

Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The MATHiATOR book series is a new innovative teaching tool. MATHiATOR is not a stand alone curriculum. It is a new innovative teaching tool. In my vision, this is a curriculum size supplement to be used as a terrific segue to what is already being taught in class. Advanced, gifted, and motivated home schooled students can excel with this book. Steady learners may require persistent hands-on assistance. Level 5 edition of MATHiATOR begins with the first chapter at a 4th Grade level to allow a good grasp on this new approach to math. A new stepping block is carefully placed every four to five pages, building the know-how to tackle the following problems. Children are hungry, resilient, and intelligent. MATHiATOR is not afraid to let the student reflect those qualities with confidence. This is the only pre -pre algebra book that can boost your child s accuracy with the thought-to-be-intimidating variable.
