A PROJECT DIARY FOR CHRISTMAS: (VOLUME 1) (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. A Project Diary for Christmas is useful for tracking day-by-day progress and completion of goals and projects. It is also great for reviewing records, useful for establishing routines and protocols including the gleaning of lessons for further improvement. In addition, it helps in the creation of step-by-step mapping for the successful exact, expected outcome. ON THE BENEFITS OF A PROJECT DIARY One way of redeeming your time is by setting a goal or undertaking a project and tracking your progress by recording entries in a project diary to record the steps taken to complete goals or projects, including the resolutions of challenges and issues. Another way is by sharing a project diary with someone who, perhaps seizing it like a treasure map, is afforded the opportunity to duplicate the project by walking step-by-step through it, being aware of pitfalls, if any, to avoid, and hence better able to complete the project more efficiently and hopefully more successfully. May you redeem your time wonderfully. Aloha Ke Akua, Gammie.
