Here are some of the remarkable features of Barnes and Noble Classics: All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. Barnes and Noble Classics pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader's understanding of these enduring works. One of the world's most beloved novels, *Jane Eyre* is a startlingly modern blend of passion, romance, mystery, and suspense. Susan Ostrov Weisser is a Professor of English at Adelphi University, where she specializes in nineteenth-century literature and women's studies. Her research centers on women and romantic love in nineteenth-century literature, as well as on contemporary popular culture. Weisser also wrote the introduction to the Barnes and Noble Classics edition of *Persuasion*. This item ships from multiple locations. Your book may...
