Moody Publishers. Paperback. Condition: New. 160 pages. Dimensions: 8.0in. x 5.2in. x 0.4in. Almost two Millennia ago, Jesus asked his disciples, Who do you say that I am and people have been asking the question ever since. Many answering the question today have a decidedly different view than Peter offered in his faithful response. In the early days of the church, Gnostics balked at Jesus humanity. Today, its his divine nature thats under attack. It seems almost monthly that new bestselling books appear detailing how alternative gospels portray an earthly Jesus, devoid of divinity. Theories proliferate online that Jesus deity was concocted during shadowy closed-door councils by power-hungry church leaders. The Deity of Christ by John F. MacArthur is a biblical defense of Jesus deity and a clarion call for believers to rise up and defend this core doctrine. Both new and seasoned Christians will benefit from MacArthurs clear take on the relevant Bible passages. They will come away with rock-solid assurance that Jesus was indeed the unique son of God and a deeper, more profound appreciation of Christs love for them. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
