She s got a new life now, centered around her daughter and her career, and there s no room in it for anything- or anyone-else. But when instincts honed at the side of her con-artist dad warn her that her grandma is in trouble, she returns to Serendipity Island.where every single lie she once told to protect her tender heart could be blown to smithereens. Brody Jackson always thought of Paige Calhoun as the little girl next door. Three years her senior, his sights were set on a football scholarship, and fame and fortune as a pro quarterback. But now he s back home, his career down the tubes, battling the grandma from hell for permanent custody of his teenage daughter.all because of one careless mistake. Brody s got no time for one hot woman who s messing with his mind and his future. And Paige can t afford to let one gorgeous man distract her from saving the residents of the island from her dad s latest scam. All they both want is a life free from the past. Instead, they re caught between the truth and true love. This book includes a family-phobic heroine, a hunky hero whose luck-and love life-are about to change, lies, romance, chocolate chip cookies, nighttime shenanigans, a con-artist who swears he s gone straight, and a battle-of-the-sexes secondary romance.
