Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Throughout life options are put in your way and in most of the cases knowing if you ve taken the right or wrong track isn t evident until it s too late to change them. Chris Powell is a seasoned contract killer and taking risks with his life while plotting to take someone else s is an occupational hazard that he takes on a regular basis. However, when a death happens to someone close to him and the reasons behind the tragedy aren t as clear cut as first thought. He s left for the first time in somewhat of a quandary as to what move to make next. He knows that if he makes the wrong decision then even more people around him could start losing their lives because of something he s done. The answer to his question though might lie in another country but does he make the journey and hunt the answers down, or should he stay close at home to defend his loved ones?.
