paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 259 Publisher: People s Health Publishing House Pub. Date :2008-03. Functional disciplines from medicine physiology. pharmacology and pathophysiology-based group composed of the basic disciplines of medicine. not only has strong theoretical and mutual penetration. but also a certain practical and mutual integration of the. However. traditional experimental teaching of medical subjects attached to their respective functions subject. the phenomenon of teaching focuses on the demonstration. validation of classroom theory. the lack of mutual penetration and fusion. is not conducive to students from the whole system functional disciplines to master the theoretical knowledge and innovative ability . To this end. drawing on advanced concepts and methods of teaching based on teaching after several years of reform and exploration. students develop a clear goal in the premise. sort out medical functional disciplines experimental teaching the basic ideas. forming a three-stage experimental teaching ideas and models. The first stage is the basic function test; the second stage of comprehensive functional test; the third stage of experiments to explore the sexual function. Teaching arrangements. based on experiments of different professions to choose different combinations. and more inclined to explore the nature of the experimental arrangement. Explore the experimental animals. isolated organs. tissues and cells of various functions and metabolic changes. and to explore intervention in disease states or drug law changes under the same time. broaden their horizons. increase knowledge. improve their practical ability. and inspire students interest in exploring the unknown and learning enthusiasm. At present. published a wide range of functional disciplines experimental materials. and distinctive. However. most of the general formula for the undergraduate teaching content and the layout of the experimental principle. experimental content is still not...
