## SOCIAL VIRTUE AND THE COMMON GOOD - STUDY GUIDE

Together Inc. Paperback. Book Condition: New. Paperback. 220 pages. Dimensions: 9.5in. x 6.6in. x 0.6in. What is the principle of social organization by which men of differing classes might live in harmony Why is it that the economic system cannot be viewed outside of the context of a social and political system that honors human dignity Is the social message of the Gospel only a theory, or is it a basis and motivation for action See why Catholic social teaching demands that we create a new category in our thinking, since unlike contemporary political discourse, it does not concern worldly or temporal ends simply for their own sake. Through this study of Catholic social teaching, take up the challenge to overcome the tendency of looking at social and economic questions purely in terms of public policy solutions. Here you can study the sources directly - Rerum novarum (Leo XIII), Quadragesimo anno (Pius XI) and Centesimus annus (John Paul II) - in their entirety without the filtration that often comes through a textbook summary. The Study Guide also contains questions at the end of each session to help the reader get to the heart of the subject. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
