Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 80 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Many of whom read this book wished they read it long time ago. It's advised to read this book before taking the course of life. Don't choose your specialty in life without looking to our advices. This is not a magical book; it's also not only to raise the morale by giving you good energy, without real solutions. This book is made on a scientific basis and a lot of experiences. Due to that, this book comes to deal directly with the source of money, we won't tell you stories, and you will find my book direct to the point with exact numbers and advices. The goal of any career is to make money, but I found nobody talk about that, companies try to promote their product service or study. So instead of talking about management, leadership, business, self-employed, be your own boss. . . etc. , which never show us how to be financially secured, we will talk in the beginning of the book about a clear image of the sources of money, and how money works. In the last three parties of the book we will discuss how to position you there using different techniques. We will give examples of the best companies around the world their vision and how they work. In life, there are lots of real problems, but many people discover them after a couple of years, some of them don't want to discuss it because they believe it represents their failure in life. We will talk about those problems and try to avoid them, especially for the coming generation. There are many people who became wealthy by accident they don't know how it happened. Furthermore,...
