Walking London's Medical History (Paperback)

By Nick Black

Taylor Francis Ltd, United Kingdom, 2012. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Highly Commended, BMA Medical Book Awards 2013 The history of health care is complex, confusing, and contested. It involves more than just the creation of hospitals and dispensaries, infirmaries, and health centers. There are also royal colleges, trades unions, medical schools, nurses homes, coroners courts, nursing sisterhoods, ambulance stations, patients organizations, and medical missions. Usually, to enhance our understanding we sit and read books, or, nowadays, surf the Internet. But it's more fun to go out, visit the buildings where events unfolded and transport yourself back in time. The story of how health care has developed from medieval times to the present day is told through seven walks in central London, each with a key theme, such as: * Competition between the church, crown, and city for control * Changing fortunes of particular districts * Radical reform between 1840 and 1880 * Individual creativity and entrepreneurship * Hospitals unavoidable choice between merger or migration * Transformation of health care trades into professions * Development of primary care The book takes as much interest in one of the six ambulance stations build...

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.

-- Alta Kirlin

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
