Reviews

*A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book was written for women who are facing a crossroads. They may find it hard to decide between numerous ideas and directions in front of them or, on the contrary, find it difficult to find even one field that will excite them. Are you one of them? This short questionnaire will help you find out! Are you wondering what to study or what career path to choose? This book will help you discover the field that will most excite you for years to come. Do you feel that your work is no longer fulfilling and that you have something else to give the world? This book will tell you exactly what that is! Have you recently finished a chapter in your life and started wondering what will be best for you in the next step? This book will help you find the answer and the direction you should go. Are you retired, but still feel full of vigor and desire to grow personally and financially? This book will help you find great opportunities still ahead of you. In the book, you will find a selection of six strategies for accomplishing a life of freedom and passion, including: 1. How to live with a sense of clarity and certainty - the magnifying glass effect To live a life full of passion, you need to know yourself and your starting point. The entire process of development and action requires us to honestly identify the place where we are now. Only after the identification process is done can we choose our next step. 2. How to live with a sense of personal security Recognizing our passion makes our feeling of...
