## INFANTS

Harvard University Press. Hardcover. Condition: New. Dimensions: 9.1in. x 6.1in. x 0.6in. In the past few years, a new breed of baby-watchers has discovered more about infancy than has ever been known before. Infants brings this knowledge out of inaccessible academic journals and makes it available to everyone in direct language. Written by a child psychologist who has studied the developmental progress of infants for many years, the book describes and interprets the fascinating capabilities of infants in their first years...
