

The Heart of the Sun and the Heart of the Earth: About the Cosmic Plan for Earth, Atlantis, the Holy Grail, and the Awakening of a Heart-Centered Consciousness (Paperback)

By Mette Holland

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book talks about the current transition Earth and mankind are going through, based on the esoteric teachings and Martinus Cosmology. It explains how Earth and mankind are evolving towards a state of perfection and awakened consciousness. It outlines the cosmic plan for Earth, the celestial heritage of mankind, and the inner meaning of the Holy Grail. It explains how what is happening on Earth now echoes far into the universe, affecting many worlds and dimensions. The Heart of the Sun and the Heart of the Earth elaborates on the nature of light and dark, Golden Atlantis, and the awakening of neighborly love. It explains the roles of star seeds and light workers, and emphasizes the importance of equal worth, responsibility, self-love and living our joy in order to unfold our potential and life mission. It talks about the 12 rays and 12 chakras, and explains the nature of the spiritual hierarchy for Earth. The book describes ascension as a natural process we all go through, and it provides exercises to help us connect with high-level guides and work with our inner...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mother and dad suggested this ebook to discover.
