LIVING INTENTIONALLY: CHOOSING TO LIVE AN INTENTIONAL LIFE (PAPERBACK)**DOWNLOAD**

Ilynmw Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The whole premise for this book came from a choice I made in my life to live more intentionally. I was tired of walking through this life without a plan and treating those around me indifferently. Living a life with intentionality necessarily means that I had to do a lot of the following: 1.Thinking 2.Meditating 3.Planning 4.Experimenting My heart s desire is to live a life whereby I am growing, spiritually, mentally, physically and emotionally. My desire is to have deeper and more meaningful relationships with those near and dear to my heart. To pour into others and be a mentor and encourager to my friends, family and co-workers. Consider how you can be more intentional in the following areas of your life: Time - we all have the same amount of time each day (24 hours). How are you going to spend that time? Talents - what are the skills and abilities that you have? Are you using them appropriately? How can you be more intentional about using your talents in a positive and meaningful way? Treasure - this is a tough one for many people. Being intentional about how you spend, save, give and invest your money will take time and thoughtful effort on your part. You must know how each dollar is spent and how you are going to use your money. If you can consistently be intentional about these three areas of your life, I believe you will find your life much more fulfilling.
