To complicate matters, Phoebe Robbins falls into his life quite literally when Dalton rescues her after she tumbles overboard in the Sitka Harbor. He quickly loses his heart. But Dalton is not the only one who decides to seek Phoebe's attention--his best friend, Yuri, decides to court her when Dalton must travel from Sitka. But when Dalton realizes the depth of his love for Phoebe and returns, the two friends find that their battle for Phoebe's admiration is only the start of the problems that face them.
