Does our brain have the final say in who we fall in love with, or will the heart always get what it wants? Can a man who's lost himself reclaim his true identity through the forces of love? And is it possible to make such a transformation when your environment stays the same? These are just a few of the questions that will be examined in BARTENDERS BRIDESMAIDS, a refreshing New Adult Romance with a twist. It's the dawn of spring in the picturesque coastal town of Point Clear, Alabama, and wedding season at The Grand Hotel is all set to begin. As a bartender in The Grand Hotel's glamorous Birdcage, Miles Cutter lives for this time of year. Alongside his two coworkers, Daniel, and Grayson, Miles is living an enviable life filled with easy money, hard liquor, and as many gorgeous women as he can handle. On the surface, Miles appears to have it all, but on the inside, something is missing. His service industry lifestyle has changed him, and he's not happy with the man he has become. Although Miles is determined to get back to his true self, the life he created is standing in his way. As he navigates through a web of lies and deception, Miles will find out who he is and what real love is all about. When his old life comes crashing down around him, will Miles be buried in the debris, or will he escape unscathed?.
