Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Miss. Hitchcock s Wedding Dress Two women sat together in a little room, working so hard that you could see their daily bread depended on their industry. Two women - both young, and the youngest a mere girl. They were busy at the same piece of work - a white satin dress, covered with lace flounces, at once delicate and rich. It was made with two bodies, one high and one low; a white satin skirt, adorned with magnificent lace, and attached to a high bodice. Is there anyone in the world so ignorant as not to be aware that such a garment could only be intended for that most interesting of all personages - a bride; to be worn on that most interesting of all occasions - her wedding-day? In short, that the four hands so busily occupied were manufacturing, with light artistic touches, Somebody s wedding dress.
