Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Needlecraft When a three-hole button is used the stitches form a triangle on the top of the button. A shoe-button should be sewed with a N o. 2 needle and coarse black thread. The stitches are taken through the shank of the button. Fasten off the thread after sewing on two buttons, for if they are all on one continuous string or thread and that breaks, all the buttons are apt to come off. If each button is securely fastened the thread may be passed, however, from one to the other. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
